

200° Door Viewer

Product # 105ANR

Color/Finish Antique Nickel

DESCRIPTION

Installs into door to view exterior side for added security

With its 200 degrees of viewing and its wide vision angle, the 200° Door Viewer is a secure way to view outside your door. Reassuring and safe, this door viewer is an easy way to identify your visitors before they even knock on your door. Install the 200° Door Viewer into your door to view the exterior for added safety and security.

ADVANTAGES AND BENEFITS

Viewing through the door viewer from the exterior is impossible. Wide vision angle.
