### INCLUDED PRODUCT(S)

Package contains 16 pads with a diameter of 1 1/8 in (29 mm) and 4 pads with a diameter of 1 1/2 in (38 mm). Screws and felt pads are included.

### APPLICATION

Application on wood legs 1. Mark point of contact between furniture leg and floor; drill 5/64 in (78 mm) pilot hole and screw in disc (confirm screw fits well in housing to avoid damaging the floor). 2. Remove protective paper and stick the felt on the screw head.

### IMPORTANT INFORMATION

Use safe lifting techniques to avoid injury; do not manually lift heavy objects. Care must be taken when installing glides to ensure effectiveness; not all furniture sits squarely on floor. Check periodically for wear; felt should be replaced accordingly.
