IMPORTANT INFORMATION

Note: Picture for visual reference only: actual product may vary from that shown in photo. Be sure to order hardware before beginning fabrication or installation work. Always use the instructions inside the packaging provided by the manufacturer, as the manufacturer reserves the right to make technical changes or modify information without prior notice. All technical drawings and documents contain examples of the assembly of different suppliers' hardware. The customer cannot base any claims on the use of these documents. No responsibility is assumed for design details relating to a particular construction project. At all times, execution and installation must be undertaken by qualified persons. Never exceed the maximum weight or the maximum dimensions recommended by the manufacturer. Always be sure to install the product correctly using the right fasteners for your materials. Never use any spray lubricant on these products.

APPLICATION

Prevents sliding doors from slamming open and closed
