

Ski and Snowboard Storage System

Product # 29007S

DESCRIPTION

Durable non-slip grip coating

Create storage space on walls for ski and snowboard equipment. Includes two rails, six hooks, and mounting hardware. The two rails may be used together or separately to store two sets of equipment. The nonslip hooks protect and safely store everything you need to help clean up your area. Additional hooks and rails are also sold separately.

ADVANTAGES AND BENEFITS

Multipurpose storage kit. Create storage space on the wall for ski and snowboard equipment. Hooks can be arranged in different configurations to suit different needs.
