

Heavy Duty Speaker Hangers

Product # 4536R

DESCRIPTION

This speaker hanging kit helps you show off your speakers, not the hardware

The kit consists of two pairs of Hangman interlocking aircraft-grade aluminum brackets. One bracket attaches to the back of the speaker and engages the other bracket that installs on the wall. The built-in level in the wall bracket makes for perfect installation.

ADVANTAGES AND BENEFITS

The built-in level in the wall bracket makes for perfect installation. The speaker hanging kit helps you show off your speakers, not the hardware
