

Clip Strip Paper Holder

Product # 4537R

DESCRIPTION

Quick-release paper holder

The clip strip is a unique roller system that beats clips, tapes or pins for holding notes and paper. Insert paper and it's held in place. Pull down and it releases. Attaches to refrigerators, file cabinets and toolboxes with built-in magnets, wall or any other flat surface.

ADVANTAGES AND BENEFITS

Can mount to any flat surface. Paper inserts and releases quickly and easily.
