

Invisible Hinges

Product # 777NV

DESCRIPTION

Built with strength and durability in mind, invisible hinges are ideal for creating slick and modern designs for frameless furniture, bathroom cabinets, and kitchen cabinets. With inside cabinet mounting and a 90° opening angle, the hinges are perfect for the most common type of cabinets. For heavier and taller doors, it is recommended to use more than two hinges, but a minimum of two hinges per door is required.
