

## Metal Self-Drilling Anchor for Drywall

**Product #** MA8LVP

### DESCRIPTION

This self-drilling anchor is designed to ensure maximum holding power and stability. Its sharp edge cuts deeply into the hole without damaging the drywall and reduces the amount of force required to screw it in. Easy to install with a screwdriver without any pre-drilling. In addition, its fine point helps guide the anchor into the wall with flawless precision.

### ADVANTAGES AND BENEFITS

- Easy to use
