

DESCRIPTION

A modern and functional addition to French doors with very narrow stile conditions. May be used as pairs for a symmetrical aesthetic, or with one entrance lock set or dead latch/deadbolt. The rods/bars are required, sold separately and listed below in the suggested products.

Product #	ROMICLASSIC558
Screw/Nail	Included

An exploded view of a brass door handle assembly. The central component is a rectangular base plate with a polished, oval-shaped handle knob mounted on top. Surrounding this base plate are six smaller, L-shaped brass components, three on each side, which are designed to be mounted onto the base plate to provide additional mounting points or decorative elements. The entire assembly is shown against a plain white background.
