

CaviLock Magnetic Pull CL200 Series - Passage

Color/Finish

Door Thickness

Width

DESCRIPTION

CL200 Magnetic is a durable range of sliding door hardware

This wrap-around pull requires no complicated mortise cutouts.
Ideal for interior sliding applications.
Suitable for residential, commercial and hospitality applications.
Variety of configurations and finish options.

ADVANTAGES AND BENEFITS

Snib button allows more space inside pull. Larger finger hole to retrieve door from pocket.
