## DESCRIPTION

### The magnetic pull is architectural hardware for sliding doors

This wrap-around pull requires no complicated mortise cutouts.  
Ideal for interior sliding applications.  
Suitable for both residential and commercial use.  
Variety of configurations and finish options.  
Door slides flush back into the pocket.  
No tight pinching or twisting of the wrist with ADA/Barrier-Free options.

## ADVANTAGES AND BENEFITS

Magnetic catch and plunger system. Front edge incorporates finger hole to retrieve door from pocket.
